In the Academy of Music I have seen the book "The Young Lind Medals and Tokens", that you have sent, and I have advertised it in the yearical "Ur musiska museet" published by the society of mus. hist. in Sweden (1921 dec.). The Museum of mus. hist. in Stockholm should be very glad, if you will give a copy of the book to us.

Page 18 you have mentioned a book, that I do not know: Supporter and System Musica in Summis. Please give me a communication of the year and place for the publication. The Museum have a little collection of musical medals, that we wish to enlarge.

Stockholm, Sweden.

Dear Sir:-

Under separate cover I take
pleasure in sending you with the com-
pliments of our Society a copy of our
publication on Jenny Lind.

With respect to your question
regarding the work by Anderfer & Epstein
"Musica in mamma." I beg to advise that
it was published in 1907 in Vienna and I
should think that you could get a copy
there without difficulty or a second-hand
copy through any book agent in Leipzig.

Very truly yours,

Secretary.
